In spite of the COVID-19 environment, most of the students of WGKA have returned and continued to train. Congratulations to all the above students on their success in the Grading, first for this year, due to early lockdown! (There were no classes allowed for all of Term 2, at our School dojo – losing 13 weeks of potential training!). Special mention to Harrison Vollmost, for being promoted to Shodan-Ho (Provisional 1<sup>st</sup> Dan Black, Junior level.) He has been training, consistently over the last 5 years, to achieve his rank! Well done, again, Harrison!
